

# LADIES WHO LUNCH

## FAQ

### **// WANT TO START YOUR OWN LOCAL LADIES WHO LUNCH GROUP?**

Great! We think this network should exist in every city! Drop us line at [hello@ladieswholunch.de](mailto:hello@ladieswholunch.de) and we will contact you with your very own LwL starter pack.

#### **What we ask of you:**

- Stay true to the motivation behind the creating of Ladies who Lunch.
- Have a Facebook account
- Be a reliable group admin
- Provide an e-mail address that interested parties can use to contact you in case of questions.

#### **What we will provide you:**

- A localized facebook group header image
- Your group will be linked from our central facebook page and website (as soon as it is up and running).
- Updates on other platforms we are trying out and how they are working for us.

### **// YOU HAVE JOINED A LOCAL LADIES WHO LUNCH GROUP. NOW WHAT?**

Simply request a lunch date within the group. Information that helps:

- Share a little something about yourself: your name, profession, whatever you want to share
- Date and time you would like to meet
- Area of the city in which you would like to meet
- If you want to talk about something in particular (with someone from a certain profession) add that as well.

No one replied or wanted to meet up? Just try again. Our community is very new and still growing.

### **// INTROVERT? NOT SURE WHAT TO TALK ABOUT?**
